Actions

1. MENE (Monitoring Engagement in the Natural Environment) update.

No news available as yet but Martin G will send updates to group via DI as they become available. He will provide a presentation of the MENE findings and the segmentation exercise at the next meeting

Action Martin:- e-mail updates for DI to circulate to group as they become available

2. MOSIAC Project

Following on from a morning of celebrations held at the V-centre highlighting the positive results of the MOSIAC project, David Rolls and Steve Lovall, MOSIAC Youth Champion, gave a lively presentation on the MOSIAC project running on Exmoor & Dartmoor National Parks.

To promote this area of work and raise awareness of ways to involve young people in the natural environment, Orlando Rutter ran a workshop, 'What opportunities do you have to engage young people with the natural environment.'

Action All:-Take back ideas to promote youth proofing and youth input in your organisation.

3. Review of SW 'Outdoors for All?' Plan

Simon ran a workshop to collate ideas for additions/deletions/amendments to recently updated SW Diversity Action Plan. The attached plan is the result; a condensed version of the original focussing on the areas where we consider we can make a difference and influence national actions.

Action All to consider plan and actions to bring to next meeting to add/discuss

4. Any Other Business

The South West Protected Landscapes training day will take place on 13 May.
