

**Title: Location and county
Name(s) of authors**

**Map tile obtained from Ordnance
Survey Get-a-map service, with
route marked**

**Brief description of the route and
your reasons for choosing it**

**Captioned images of places
along the route, possibly
obtained from Geograph,
but ideally the students'
own images**

**Detailed description of the route,
taking in a number of waypoints
and including geographical
information/grid references for
those walking the route**
